DC INFOTECH PARTNER CERTIFICATION ACADEMY

ASSOCIATE CLOUD ENGINEER

Overview

Associate Cloud Engineers deploy applications, monitor operations, and manage enterprise solutions. They use Google Cloud Console and the command-line interface to perform common platform-based tasks to maintain one or more deployed solutions that leverage Google-managed or self-managed services on Google Cloud.

Path to certification

The DC INFOTECH Partner certification Academy is a Online Program with live instructor led sessions to complement and build on the on demand learning.
DC INFOTECH Pvt. Ltd. is an **Official Google Cloud Service Partner in India**, recognized for delivering high-quality cloud consulting, deployment, and managed services.
You can verify our partnership on Google's official partner directory here:
https://cloud.google.com/find-a-partner/partner/dc-infotech-private-limited

This ensures you're fully prepared.
