**DC InfoTech Pvt Ltd - HR Intern Tasks**
**Internship Duration:** 3 Months (Remote)

**Role Overview:**
As an HR Intern at DC InfoTech Pvt Ltd, you will play a crucial role in supporting our hiring process and ensuring effective communication and record management. Below are the detailed weekly tasks and responsibilities expected during your internship:

---

## Weekly Tasks

1. **Job Postings on LinkedIn**
    - Create and share job postings on the official DC InfoTech LinkedIn page.
    - Ensure job descriptions are accurate and appealing.
    - Monitor engagement metrics (likes, comments, shares) and respond to inquiries related to the postings.
    - Update job postings weekly or as instructed by the HR supervisor.
    - **Fixed Message for Job Postings:**
      You are required to send a fixed message when posting jobs. The message will be provided to you. Please ensure to include it in every job post.
    - **Post Job Every 7 Days:**
      After posting a job, you must repost it after 7 days. If you post a job today, you need to post it again in exactly 7 days and include the fixed message each time.
    - **Screening Questions to Include in Every Job Post:**
      When posting job opportunities, make sure to include the following screening questions:
        - Are you currently a student or a fresher looking for your first job opportunity? (Ideal answer: Yes)
        - Do you reside in India and do not have prior professional work experience? (Ideal answer: Yes)
        - Are you committed to fully participating in this program and responding promptly to communications? (Ideal answer: Yes)
        - Are you genuinely interested in developing software solutions tailored to DC Info Tech's needs? (Ideal answer: Yes)
        - This internship is supported by Google for Startups and offers exclusive rewards, such as the Best Intern Award (₹10,000 cash prize). Are you excited to participate and compete for this recognition? (Ideal answer: Yes)
        - Are you willing to pay the Internship Completion Fee of ₹50 to receive the MSME-certified Completion Certificate supported by Google for Startups and associated benefits? If not, please do not apply. (Ideal answer: Yes)
        - Are you excited about gaining access to the soon-to-be-launched DC InfoTech learning platform to enhance your skills? (Ideal answer: Yes)

2. **Hiring for Web Developer Intern**
    - Post a job opening for a Web Developer Intern.
    - Ensure the job description highlights necessary skills such as HTML, CSS, JavaScript, and frameworks like React or Angular.
    - Maintain the same posting frequency (every 7 days) and include the fixed message and screening questions when posting this position.
3. **Candidate Form Sharing**
    - Share relevant forms (e.g., application, feedback, or onboarding forms) with candidates via email or LinkedIn messaging.
    - Ensure the forms are distributed in a timely manner and follow up with candidates for submissions.
    - Coordinate with the HR team for any modifications or updates to the forms.
4. **Record Maintenance**
    - Maintain detailed records of all activities, including:
        - Job postings (date, position, and metrics).
        - Forms shared and received (candidate name, date, and status).
        - Candidate interactions and follow-ups.
    - Use Excel or Google Sheets to keep records organized and up-to-date.
    - The access to Google Sheets will be shared with you via your registered email.
    - Provide a weekly summary report of tasks completed and progress to the HR supervisor.

---

## Additional Responsibilities

- Assist in shortlisting candidates based on provided criteria.
- Schedule interviews and coordinate with the HR team and candidates.
- Contribute ideas to improve recruitment processes and employer branding on LinkedIn.

---

## Key Deliverables

- **Weekly Report** summarizing:
    - Job postings and their engagement.
    - Status of forms shared and submissions.
    - Updates to the candidate record sheet.
- Well-organized and updated record sheets at the end of the internship.
- Improved LinkedIn engagement metrics for DC InfoTech's job postings.

---

**Note:** Please ensure that all activities comply with the company's data privacy and confidentiality policies. Reach out to your HR supervisor for any clarifications or support required.
